# FINAL RESULTS

April 17 thru April 20, 1985

*INTRODUCING THE*

# 1985

## Recipient of

## THE JOSEPH G. ROGERS AWARD

# DR. HAROLD W. HENNING

Born in Lockport, New York, Dr. Harold Henning has been involved in swimming as a competitor, coach, official and administrator since age nine. Although successful in the practice of dentistry, Dr. Henning has perhaps made his greatest achievements in his avocation – Swimming. He learned to swim at the Lockport, New York YMCA, and became a member of the Lockport YMCA Swim Team at age ten. Competing in several National YMCA Championships he held a backstroke record that stood for many years. Dr. Henning served as a YMCA swimming instructor and YMCA camp staff member. Following his years as a competitor, he coached at North Central College developing world class swimmers, and at the same time worked as a volunteer for the Naperville, Illinois YMCA, whom he represented in competition years earlier. Following coaching he became involved in the administrative portion of swimming, ultimately serving as President of FINA. From competing to teaching and coaching, to officiating and administrative functions, Dr. Henning has done it all.

Some of his accomplishments are:

- Competed for Lockport, NY YMCA as an age-group swimmer.
- Participated in several National YMCA Championships.
- Broke the National YMCA Backstroke record and held that record for many years.
- Served as Chairman of the National AAU Men's Swimming Committee.
- Served as Chairman of the United States Olympic Men's Swimming Committee.
- Served as President of FINA for two terms of four years each.
- Served as Chairman of Aquatics for the 1959 Pan American Games.
- Served as Manager of the U.S. Swimming Team to the 1964 Olympics.
- Served as an official at many Olympiads.
- Served as special consultant on the President's Council for Physical Fitness.
- Founding President of the United States Aquatic Sports Federation.
- President of the International Swimming Hall of Fame.

Dr. Henning has received many honors for his role in national and international swimming, including the Decoration of Order of Sports First Class from Egyptian President Anwar Sadat, the Gold Medal of Sports from the Republic of Chica, the F.I.N.A. Prize Emminence, and election to the International Swimming Hall of Fame. In 1981, he was honored with the silver medal of the Olympic Order of the International Olympic Committee for his "outstanding merit in the cause of amateur sport and faithfulness to the Olympic ideal."

His participation in YMCA Aquatics, dating back to the Lockport YMCA was the foundation upon which his services to and accomplishments of competitive aquatics has benefited our sport.

We are indeed proud to honor Dr. Harold W. Henning as the 1985 recipient of the Joseph G. Rogers Award.

# OUTSTANDING PARTICIPANT AWARDS

It is difficult to picture anything that would capture the attention of an emotionally charged crowd and the physically charged athletes at the finals of the YMCA National Swimming and Diving Championships. Nevertheless, the presentation of the Outstanding Participant Award does just that.

Several past recipients from the crowd joined the 1985 winners, Linda Suhs of Springfield, Illinois and L. J. Kuskowski of Huntington, New York.

Linda Suhs is a most deserving recipient. She has loyally competed for her Springfield YMCA for eleven years. During that time, she has finaled fifteen times at Y State and won the gold five times. She also was a finalist at Y Nationals and is nationally ranked. She qualified for USS Senior Nationals and competed in the finals in the Illinois State and Jr. National Meet.

Linda is an A student, an Illinos State Scholar who ranks in the upper 3% of her class and scored in the 98th percentile on college entrance exams. Memberships for Linda include National Honor Society, Math, Science, and Latin clubs, and two local service organizations whose activities include visiting Senior Citizens and organizing Christmas parties for underprivileged youth. Linda teaches children to swim during the summer months.

Linda's coach's words say it best. "She does everything that she can to excel without alienating, to be proud without being boastful and to be helpful without invading". Linda will take her swimming talents and YMCA values to Harvard University next fall.

L. J. Kuskowski hails from the Huntington, New York YMCA. He has attended the YMCA Nationals three years in a row. His specialty is in the sprints and teaming up on all relays. L. J. was elected captain of his high school swimming team of St. Anthonys. L. J. comes from a family of swimmers, having two others swimming with him from their Northport, New York home.

L. J. is a uniquely well rounded young man as have been all of our Outstanding Award Recipients. He mixes a magical perspective between competitive swimming, academics, music and drama and leadership. He ranks extremely high in his high school graduating class and is a member of the National Honor Society. He has a given talent in drama and music and shares this talent in school and church musicals where he has lead roles.

We shall miss L. J. at YMCA Nationals as the young man who has sung our National Anthem Diving Opening Ceremonies for the last three years. We will follow his college progress (probably Duke University) as he casts an eventual up towards the field of medicine. We also hope he keeps that wonderful ability to keep everything in its proper perspective.

Congratulations and good luck, Linda Suhs and L. J. Kuskowski. God Speed.

# THE CONRAD CARROLL AWARD

The Conrad Carroll Award is given to a person who best exemplifies the "true official", a person who has given of himself for the betterment of officiating in the YMCA Competitive Swimming and Diving Program.

The Award is given in memory of Connie Carroll who gave twenty years of service to the YMCA as a Swimming Official on all levels of competition.

This year the award was bestowed upon G. Robert Mowerson. He has been involved for the past fifty-five years as a high school coach, college coach, international coach and finally as the head coach of our Pan American team.

Mr. Mowerson has served on a number of important National YMCA Committees. His influence has been felt on our coaching and officials certification programs, and the recently published Coaches Manual. He has served on the NCAA Swimming Rules Committee and has served as that committee's chariman. He has served as our official interpreter of the NCAA Rules for many years.

Bob Mowerson certainly exemplifies ideals and values which are inherent in the National YMCA Program.

# NOTICE

IN MANY INSTANCES THE FINAL SPLIT TIME IS 1/100 FASTER THAN THE FINAL TIME. THIS IS DUE TO THE FACT THAT WE WENT TO THE THOUSANDTH TO RESOLVE TIES. IN THESE CASES THE COMPUTER ROUNDED UPWARD. THE OFFICIAL TIME IS THE FINAL TIME, NOT THE LAST SPLIT.
