

DRAFT: 1970

The 43rd Men's and 4th Women's National YMCA Swimming & Diving Championship Meets

Note: In presenting the material for these two Championship Meets I will start with the Men's Championship Meet since it was the first of the two meets held in April of 1970. This was true until 1973 when the meets were held as a combined event.

Men's 43rd National YMCA Swimming & Diving Championship Meet April 16-18, 1970

**Hosted by the Springfield, IL YMCA
Held in the Eisenhower Pool Springfield, IL**

There were 48 YMCA teams with 288 participants from 16 states that took part in this 43rd National YMCA Championship Meet. The State with the highest representation was Illinois (12), followed by Ohio (10), Indiana and Wisconsin with (4). Other teams were New Jersey (3) and Connecticut, Kansas, Missouri, Pennsylvania and New York with each (2). Next were Alabama, Iowa, Maryland, Massachusetts, and Minnesota with (1) each.

Presently, I am trying to track down a meet program to get the listing of meet officials and other pertinent information. As the material becomes available, it will be added to this space.

Meet Officials:

Meet Director:	Gene Keltner
Referee—Swimming	Archie Harris
Referee---Diving	Dr. James Scott

Associations and Participants:

Note: Material in this section was taken from the heat sheets and final results. **NO** official team entries list of participants is presently available. In some cases only initials were used to identify the participants in the final meet results. I believe also that there are a number of typographical errors or misspellings in his material and in some cases the spelling of a few last names are spelled differently.

Women's 4th National YMCA Swimming & Diving Championship Meet

April 23-25, 1970

Hosted by the York, Pennsylvania YMCA

Held in the York YMCA Pool.

Originally the York YMCA had bid to host the 1971 National Championship Meet however, when no host was forthcoming they agreed to take this 1970 meet. The meet director was glad that they did because they would have missed the wonderful group of people who were involved in this Fourth Women's National YMCA Swimming and Diving Championship Meet. There were 411 participants, representing 68 YMCA's from 18 States together with assorted parents, chaperones, and coaches that swelled the total number in York to at least one thousand.

Special Note: Reflections and thoughts from the York YMCA Director of Physical Education John deBarbadillo:

“Bouncy, pert, glowing girls in their multi-colored outfits.

Girls, as serious as any athlete can be when they stood upon the blocks. The concerned intensity of the coaches, both male and female!

Girls, sobbing emotionally when they won and event of exceeded their best times.

Girls, sobbing alone in a corners of the pool, disappointed with a poor showing.

Girls, just sobbing.

Saturday evening's impressive opening Ceremony...with all the pool lights out except the end spot light; the girls standing around the perimeter of the pool, the Officials at the starting end.

The colors of the suits and uniforms reflecting into the water.

The soft voices of the girls as they sang spontaneously the music of the Star Spangles Banner.

Reverend Gordon Folkemer's poignant prayer.

The simultaneous accolade of the audience as they rose en-masses to honor the fantastic performance of Sheri Bush in the 1650 Yard Freestyle event.

The rising, feverish crescendo of the audience, catching the infectious enthusiasm of the Montclair girls, as they became aware that their team was on the way to winning the team title...and the near hysteria which prevailed when their 400 Yard Freestyle Relay finished first to clinch that Forth National Team Title.

This is the reason why we are so very happy to have had the privilege of hosting this 1970 Meet.”

Presently, I am trying to track down a meet program to get the listing of meet officials and other pertinent information. As the material becomes available, it will be added to this space.

Associations and Participants:

Note: Material in this section was taken from the heat sheets and final results. NO official team entries or list of participants is presently available. In some cases only first initials were used to identify the participants in the final meet results. I believe also that there are a number of typographical errors or misspellings of names in this material and in some cases the spelling of a few last names are spelled differently.
