The 7th Women's and 46th Men's -- 2nd Combined National YMCA Swimming and Diving Championship Meet

April, 25-28, 1973

Sanctioned by --- National YMCA Swimming and Diving Committee

National Council of YMCA's

Sponsored by --- B.R Ryall YMCA Glen Ellen, Illinois YMCA

Held at --- International Swimming Hall of Fame Complex, Ft. Lauderdale, Florida

Back to the International Swimming Hall of Fame Complex in Ft. Lauderdale, Florida! From this point on our National YMCA Men's and Women's Swimming and Diving Short Course Championship Meet will be held as a Combined Championship Event.

Our 1973 National YMCA Swimming & Diving Championship Meet was the Largest Senior Meet ever held in the United States and perhaps in the entire World. There were 1363 participants from 165 YMCA Associations representing 27 States. Ohio led the way with 27 teams followed by Pennsylvania (17), New Jersey (15), Michigan (14) and Illinois with (13). The meet produced 23 New National Records (15 Women & 8 Men) attesting to the quality of this Championship Event.

National YMCA Swimming & Diving Committee Report: Chairman James R. Stocker.

This year we have attempted to strengthen the dual representation rules in order to put the National Championship in proper perspective. To what degree the Dual Representation Rule will be modified will be up to our coaches. We will be asking for your recommendations during the Coaches Meeting at this meet. We are nearing completion of our Swim Officials Certification and Coaches Training Programs. We are hoping to expand the National YMCA Swimming & Diving Committee to include Regional Representatives. We have appointed a work study group within our committee to research and to submit recommendations regarding rules (NCAA vs National High School Federation) for this National Championship.

Special Note: It is with profound gratefulness and thanks that we express our most sincere appreciation to Tom Fry, Bill Borda and Charley Rist of the DOLFIN CORPORATION for their strong moral and financial support. They have been extremely supportive of our YMCA National Swimming & Diving Program. It all started in York, Pennsylvania three years ago and continues grow.

Meet Note: In this particular meet (it may happen again) the meet results were reported using only the first initial of the participants. As the historian for this project I feel that it is important to list all of the winners by their full name. **NAMES!!!**--in some cases there are women (sisters) with the same first initial causing difficulty in determining which one is which.
