The 9th Women's and 48th Men's -- 4th Combined National YMCA Swimming and Diving Championship Meet

April, 16-19, 1975

Sanctioned by --- National YMCA Swimming and Diving Committee

National Council of YMCA's

Sponsored & Hosted by --- Kettering Branch YMCA of Dayton, OH.

Held at the International Swimming Hall of Fame Complex, Ft. Lauderdale, Florida

National YMCA Swimming & Diving Committee Report: Chairman James R. Stocker.

As we approach the 1975 Nationals we close our first year as an Operating Council. During the past 365 days, we have welcomed Bob Orozco as the new, first, National YMCA Aquatic Administrator. We have fully implemented the two certification courses for officials and coaches. Both programs are moving along in great fashion. We truly hope associations and individuals in their regions will avail themselves to these programs. The council has also worked out an arrangement with the International Swimming Hall of Fame and its Swim-A-Thon Program. To participate in this copyrighted program is to help finance the Hall of Fame and the National Operating Council on Competitive Swimming and Diving as well.

While your council is hard at work coordinating its National and Regional programs within itself and the AAU, it hopes that each of you, through your local association and clusters, will strive to improve the aquatic programs on those levels. This includes implementation of the two national programs, improved communication between staff and lay persons, and improved coaching and training techniques.

Your council is now in the discussion stages with the American Swim Coaches Association for a YMCA section at their annual World Clinic, to be held in September of 1975. Complete information will be disseminated shortly after the National Championships.

Again we are indebted to those corporations that have supported the National YMCA Competitive Swimming and Diving program throughout the past year and we know all of you join the council in expressing to the Dolfin Corporation, Colorado Time Systems and Goldner Associates.

Finally, a word about communication. It's getting better, but still not "there" as yet. We asked that each of you list communication high up on your list of goals. Last year we said, "To be informed is to be involved". Too often some cannot "get involved" because the YMCA Association doesn't pass along the information. Do three things, read Swimming World Magazine, make sure you association is on the mailing list of the Director of H & P E and thirdly, keep in contact with your regional representative and each other. The Y competitive swimming program is for the kids. When you're not informed, they aren't either and that makes them the ones who are left out - None of us want that to happen.

DRAFT: 1975

DR. HAROLD T. FRIERMOOD

Second Recipient of the Joseph G. Rogers Award

Dr. Friermood gave leadership to the total YMCA competitive swimming program through his office as Senior Secretary for Health, Physical Education and Recreation of the National Council of YMCA's.

He was an excellent recruiter and was responsible for getting the following persons to serve the competitive program, each of whom I believe might be nominated in his own right for the J. G. Rogers Award at some future date.

Robert J. Kiputh — Charles Mc Caffree Jr. — Robert H. Royer

He was responsible for the complete updating and record keeping of the National Championship records for the years he was on the National Staff.

Dr. Friermood initiated the idea of a National Sub Committee on competition. For about ten years or more the annual meeting of this committee was held in conjunction with the National Convention of the American Association of Health, Physical Education and Recreation. Chairman of that committee appointed by Dr. T. K. Curetom then the chairman of the National YMCA Aquatics Committee included:

Charles Mc Caffree Jr. — Dr. Robert Roger — Dr. Fred Lawoue

Through Dr. Friermood's travels, he promoted the National YMCA Championships and worked with local Physical Directors and lay committees encouraging them to host the event.

In 1962, he wrote a thirty page book "National YMCA Swimming and Diving Championships". This updated all the material in the field including applications, records, evaluation, etc. (I have a copy as you probably have in the new aquatic work book).

It was his effort that finally resolved the AAU - YMCA and NCAA registration conflict.

He was active on the Olympic Committee and represented the YMCA on the Swimming Sub Committee prior to his election to the Olympic Executive Committee. He discussed with me many times his interest in the International Swimming aspects.

His availability and organization skill were paramount in keeping our National Swimming and Diving Championships as a part of the total YMCA aquatic program.

He is the executive director for the Council for National Cooperation in Aquatics, Inc.
