

DRAFT: 1979

The 13th Women's and 52nd Men's -- 8th Combined National YMCA Swimming and Diving Championship Meet

April 25-28, 1979

Sanctioned by -- National YMCA Swimming and Diving Committee

National Council of YMCA's

Hosted by -- National YMCA Swimming & Diving Council

Held at -- International Swimming Hall of Fame Complex, Ft. Lauderdale, Florida

The 1979 (14th Women's & 52nd Men's) National YMCA Swimming and Diving Championship Meet will always be remembered for its heavy continuous rain, high winds and electrical storms that moved over the Fort Lauderdale area, pouring sixteen inches of rain over the entire area. It was an outright tropical storm with gigantic bolts of lightning and loud claps of thunder that continued both day and night. With no letup in site! The National YMCA Swimming and Diving Council Executive Committee met and revisited the meet schedule as follows: The Opening Ceremonies were scratched as were the morning preliminaries. When the meet started the 500 Yard Freestyle and 200 Yard Individual Medley events were swum as Timed Final Events. There were occasional interruptions when the swimmers were pulled from the water due to lighting flashes. Diving was conducted under similar circumstances and the short events were conducted as normal as possible, with the first day's events being completed at 8:30 P.M.

Officials and Coaches were given large garbage bags complete with head and arm holes that worked quite well! A bit warm on occasion and we all looked like early Halloween Celebrants. The sun returned bright and hot for the remainder of the meet. It was truly a memorable experience for swimmers, coaches, officials and spectators!

Note: A ninety day drought preceded the storm which, according to the local TV Station was the heaviest rainfall in Fort Lauderdale History! Schools and some stores were closed, streets filled with water running approximately two feet above the curb. Alligators were reported in the streets along with a number of stalled autos!

Report of the National YMCA Competitive Swimming and Diving Council:

C. Eugene Keltner, Chairman

The Percentage of YMCA's participating on our National YMCA Swimming and Diving Championship continues to increase. Their knowledge of our Council's work is continuing to grow. The basic reason of the growth of information is the our Council members are becoming more involved in assisting in meeting the needs of our YMCA's across the United States in competitive swimming and diving.

With 304 YMCA's registered for our National Championships, including 3,473 women and 3,048 men for a total of 6521 registered swimmers and divers, their qualifying times are becoming more and more difficult to attain; but making the time tougher hasn't seemed to slow down the ever increasing number who want to be involved as participant in our National Championships. The Council has received more communications in of the form of letters, telephone calls, etc., than ever before. Those communications involve questions concerning eligibility, coaches programs, certification of officials, growing interest in the Masters Swimming program, and concerns over the total swimming and diving program in the United States and the Nation YMCA's involvement in the federation of swimming.

It is only appropriate that the YMCA National Swimming and Diving Council find's interested organizations, both profit and non-profit, in making sure that the financial stability of our National Swimming and Diving Council continues.

Our programs of Values Education is developing more and more of its structure to giving leadership with our youth, better understanding of what their involvement is, and how the participants react to many things both negative and positive.

All of the official's, times, stroke judges, and referees are all volunteer workers. The National YMCA Swimming and Diving Council is predicated, since its conception, to leadership from volunteers. As Chairman of the 1979 National YMCA Swimming and Diving Council, I wish to express my appreciation to all Council Members, officials and volunteers who have helped make our 1979 National Championships outstanding with anticipation that 1980 will be greater.

DRAFT: 1979

Note: 35 States, 196 YMCA's, and approximately 3100 Swimmers and Divers participated.

INTRODUCING THE

1979

Recipient of

THE JOSEPH G. ROGERS AWARD

JOHN deBARBADILLO

John deBarbadillo spent his entire YMCA career in Physical Education at the York, Pennsylvania YMCA, a span of forty-five years, making the York aquatic program consistently one of the finest in the country. His work in the Pennsylvania area and the Middle Atlantic Region contributed greatly to those areas becoming recognized as leaders in YMCA Aquatics.

The current National YMCA Tadpole Program is the result of John's dedicated work. He authored the Tadpole Swimming Instruction Manual, "Teaching The Very Young To Swim".

deBarb, as he affectionately is known, has over the period of years received many local and regional awards. Those he has received nationally are as follows:

- Achieved and awarded title, "Director of Physical Education" (1968), (Subject of Thesis) "A Station to Station Method of Teaching the Crawlstroke".
- Elected "A Fellow in Physical Education" (1968).
- Roberts-Gulick Memorial Award (1969) granted by the Physical Education Society of the YMCA of North America. (The highest achievement award to Physical Directors in YMCA Physical Education.)
- National YMCA Aquatic Committee Award for Distinguished Service to YMCA Aquatics (1970).
- Delegate to the eighth World Consultation on Health and Physical Education, Munich, Germany (1972).
- Citation for "Contributions made through Sports and Physical Fitness" by President Richard M. Nixon via Captain James A. Lovell (1973).

John retired in 1974, but has kept active even though "retired" as a member of the Middle Atlantic Region Aquatic Committee, the Middle Atlantic Region Competitive Swimming Committee, and the National YMCA Competitive Swim Council.

The greatest gift a man can give to his fellow man is the gift of a constructive, dedicated and creative life. Many have given these gifts to the YMCA Aquatic and Competitive program, but none more than John deBarbadillo.

We are indeed proud to honor John deBarbadillo as the 1979 Recipient of the Joseph G. Rogers Award.
