**April, 29- May 2, 1981**

**Sanctioned by -- the National YMCA Swimming and Diving Committee

**Hosted by -- the National YMCA Swimming & Diving Council**

**Held at -- the International Swimming Hall of Fame Complex, Ft. Lauderdale, Florida**

### **Report of the National YMCA Competitive Swimming and Diving Council:**

***C. Eugene Keltner, Chairman***

Solon Cousins, Executive Director of the National Council of YMCA's said to our council that our fall meeting at the U.S. Olympic Training Center, Colorado Springs, Colorado, "Progress initiates change, changes indicate progress." The council is involved in the change and the progress is beginning to show in our competitive swimming and diving programs. The completion of our film "Everybody Swims, Everybody Wins", donated by the Coca-Cola Company and Speedo International is a great step toward great progress. The introduction of our new swimming rules and a new text for the Coaches Certification is evidence of progress. The involvement of more and more layman in the total concept of "It starts with me" is strengthening the values education program across the country in swimming and diving.

New members representing allied bodies to swimming and diving from the National Collegiate Athletic Association, National Interscholastic Swimming Coaches Association, and United States Swimming, will encourage our council toward greater progress in meeting the challenge of change in the aquatic world today.

Our National Council on Swimming and Diving Coaches Association also had gone through a major change in its concepts toward progress as well as the introduction of masters swimming into the council's program. More and more every day, our communications network is bringing us closer together toward implementation of change which is implementing tremendous progress. These National Championships for Swimming and Diving are merely the tip of the iceberg of what is happening in our total program. Congratulate yourselves! You deserve it!

## 1981 Awards and Recognitions

Awards and Recognitions that were presented at the 1981 National YMCA Swimming and Diving Championship Meet were as follows:

### The Eastern Airlines Annual Outstanding YMCA Swimmer Participant Award

This award is presented annually at the National YMCA Swimming and Diving Championships to the young woman and man who best exemplify the ideals of the YMCA competitive swimming and diving and the characteristics of a true champion. Each recipient gets a 16-inch trophy to keep. The 36-inch trophy will remain at the International Swimming Hall of Fame and names of the recipients will be added to it each year.

This is not intended to be a high point award, but rather a tribute to two young YMCA athletes who stand head and shoulders above the rest of the pack by virtue of attitude, team spirit and dedication to their sport and who provide encouragement, inspiration and guidance to those whose lives they touch.

The recipients for 1981 were Michelle Merchant and Dirk Marshall. Michelle of the the Dad's Club YMCA in Houston, Texas was not only an outstanding swimmer but was described as "one of those rare persons who is always very busy but can find time to help anyone who is in need." She was "an inspiration to her team, a highly respected competitor, and a fine example for other swimmers" among many other accolades.

Dirk Marshall of the Johnson County YMCA in Shawnee Mission, Kansas was a well-rounded athlete, academically inclined, and a well-respected leader among his peers. "Honesty" "Considerate" and "Humble" were words used to describe Dirk. He was "a young man who really lived the YMCA swimming philosophy".

INTRODUCING THE  
1981  
Recipient of  
THE JOSEPH G. ROGERS AWARD

## MARGARET KELSO

Margaret Kelso, known affectionately as Peggy, has done a great deal for YMCA Competitive Swimming. A graduate of George Williams, a YMCA College, Peg has given time and talent for more than thirty-one years to YMCA Competitive Swimming. From coaching to teaching to officiating to administrative functions, Peg has done it all. Some of her accomplishments are:

- Swim Team Coach, Lancaster, Pennsylvania.
- Women and Girls Program Director, South Chicago, Illinois, YMCA.
- Developed procedures for Chicago YMCA female swimmers to qualify for the Illinois State Swimming Championships.
- Served on the National YMCA Aquatic Committee.
- Helped develop Manuals for Progressive Swimming and Life Saving.
- Presently serves as First Vice Chairman of the National YMCA Swim Council.
- Registered YMCA Swimming Official.
- Registered AIAW Swimming Official.
- Registered Illinois High School Association Official.
- Member Northern Illinois Board of Officials for Women's Sports. (Has served as Chairman for nine years.)
- Serves as Clinic Instructor for YMCA and Aiaw Officials Certification Programs.

Peggy, currently chairman of the Women's Department of Physical Education, Rosary College in River Forest, Illinois, has received the YMCA Leadership Award.

Her contribution to the National YMCA Swimming and Diving Program has been most important. In 1965 & 1966, she chaired a committee to establish policies and procedures for a Women's National Swimming and Diving Meet. She laid her reputation on the line. The success of this program and its steady growth through the years is a tribute to her dedication and gift of knowledge.

The greatest gift one can give to humanity is the gift of a constructive, dedicated, and creative life. Many have given these gifts to the YMCA Aquatic and Competitive Program. Peggy ranks among the top of the list. Without her dedication and creativeness, the Women's Nationals, as we know them, would not be in existence.

We are indeed proud to honor Margaret Kelso as the 1981 Recipient of the Joseph G. Rogers Award.
