# Draft 1982

## Report of the National YMCA Swimming and Diving Council

### **C. Eugene Keltner—Chairman**

The percentage of YMCA's participating in our National YMCA Short Course Swimming and Diving Championships are continuing to increase. Their knowledge of our Council's work is continuing to grow. The basic reason for the growth of information is that our Council members are becoming more and more involved in assisting in meeting the needs of our YMCA's across the United States in competitive swimming and diving.

As the aquatic world prepares its long-range planning toward the Olympics in 1984, our Operating Council on Competitive Swimming and Diving finds itself in exactly the same situation. YMCA's the regional committees, and the National Council on Swimming and Diving must pull together to develop plans for the future so that every young man and women in our YMCA's has the opportunity to achieve the possible goal of participating in the 1984 Olympics.

Our top 25 times, masters, and values and coaches training programs are all off the ground and developing very well. Communications within the regions is improving. However, it still has a long way to go. Promotion and sales of our film, "Everybody Swims, Everybody Wins" that was produced to the YMCA aquatic story is going well. If you need or would like a copy of this excellent film, contact John Ferrell, Youth Sports Director, Olympic House, 1750 E. Boulder, Colorado Springs, Colorado 80909.

As Chairman of the National YMCA Operating Council on Competitive Swimming and Diving, I wish to express my sincere appreciation to all of the Council Members, Officials, Event Sponsors , Advertisers, financial Supporters and Volunteers who have helped make our 1982 National Championship a most meaningful event for the young people we serve from across this great nation of ours.

# Draft 1982

## The 16<sup>th</sup> Women's and 55<sup>th</sup> Men's & 11th National YMCA and Swimming and Diving Championship Meet---Awards and Recognitions.

### Women's Eastern Airlines Outstanding Participant Award:

Mary Joan Fischbach, 1982 Outstanding Participant at the YMCA Nationals, represents so many things that the YMCA is all about. Mary Joan is a member of the National Honor Society, a high school All-American, a varsity basketball player, the Student Council president, and captain of her swim team. Her leadership continues to bubble as she helps coach the boy's swim team as well as coach of an elementary basketball team. She is a recipient of many state awards in music. "She always has a smile" says her coach. Mary Joan began swimming at the age of 4 and entered her first meet at age 6. She's been a member of her YMCA Swim team for the past eight years and competed in YMCA National Championships four times. She is an outstanding diver having placed in the Senior National competitions in 1980, 1981, and 1982, and set numerous high school and state records. She placed first in the Iowa State 1 meter diving each year 1975 through 1982. She was the state high school champion in 1980, 1981, and 1982. She placed first in the 3 meter diving at the YMCA Nationals in 1980. She also placed first in the 1 meter in 1981. In 1982 she returned to place first in both the 1 meter and 3 meter diving. Mary Joan is an inspiration to her team and is a highly respected competitor. She is a scholar, a leader, and an accomplished diver. She is a flagship for her YMCA.

### Men's Eastern Airlines Outstanding Participant Award:

The men's Outstanding Participant Award winner for 1982 can be justly proud. He is the captain of his high school swim team, a high school honor student, a National Merit Scholarship Semi-finalist, and the winner of several school scholarship awards. Deeper yet, his teammates regard him as courageous, and an inspiration for them. He is a leader, challenging them to do their best and caring about them both in and out of the pool. The "Coach's dream" says his coach. "He's a gifted and talented swimmer who follows the swimming program 100%". Peter Egan is the 1982 winner. His story is one of triumph over adversity... proof that hard work and dedication combined with natural talent, counts when one sets goals that are high. Peter's story began very early. He was a promising age-grouper when his growth betrayed him. He watched other swimmers rapidly advance past him. This went on for a period of years. Peter never quit! His frustrations turned into hard work in the pool. Today, what he lacks in physical structure he has made up for as a giant both in and out of the pool. He holds eight school records and in the 1982 National finals finished first in the 200 yard Butterfly and second in the 100 yard butterfly. He is holder of several National YMCA age-group records as well as state records. Peter hails from the Johnson County, Kansas YMCA. Always giving of himself to others as an assistant in history or as a tutor of elementary students or as an instructor of the YMCA Learn-to Swim Campaign. Peter is a dedicated swimmer and leader of his team. He is an outstanding athlete and an outstanding person with faith in himself and in his fellow man.

### The 1<sup>st</sup> Conrad "Connie" Carroll Award:

The Conrad Carroll Award is given in memory and honor of a person who best exemplifies the "True Official", a person who has given their all for the betterment of officiating in the YMCA Competitive Swimming and Diving Program. (Bio and information about Conrad follows this Award!)

The first recipient of the Conrad Carroll Award is Archie Harris, known also as "Silly Willy" by his campers, "Teacher" by his former students, "Coach" by his team, and "Friend" by all who know him, is a member of the YMCA Competitive Swim Council and the retired Swimming Coach at Illinois State University. Harris has served as a referee for many Y Nationals and has served in countless officiating duties throughout his lengthy swimming career.

Archie Harris best exemplifies the ideals and values which are inherent in our National YMCA Competitive Swimming and Diving Programs.

# Draft 1982

## Conrad “Connie” Carroll Award was established by the National YMCA Swimming and Diving Council in his honor in 1982.

### Bio of Conrad “Connie” Carroll submitted by Archie Harris.

Connie was born in Dallas, Texas in August 28, 1929 and his parents were first generation American whose families immigrated from Ireland and Germany. Connie’s family lived in several different locations in the United States and finally settled in Mayfield, Kentucky, which he always considered his home town.

Connie’s introduction to the YMCA came when he attended summer camp for several years in Missouri, where he learned to swim, play basketball and baseball.

Connie attended Southwestern University in Memphis, TN, and obtained his Masters degree at Murray State University, and did additional graduate work at Purdue and Illinois Universities. He started his education career in 1950 teaching high school math and coaching basketball in Kentucky. In 1957 he, along with his wife, Martha, and their three children moved to Normal, IL. In Normal, he taught mathematics at University High, Illinois State University’s Laboratory High School and supervised student teachers at Illinois State University. He was very active in professional teachers’ organizations and served several years as chairman of the Illinois Association of Teachers of Mathematics.

He became a swimming official when his oldest son John started swimming competitively for the YMCA at the age of 7. As Connie’s knowledge of swimming rules increased he became more and more involved in the technical aspects of swimming. He served as the Head Timer and Chief Scorer at local YMCA meets, district meets and state championships. Connie also served as head timer for local college (Illinois State University for his good friend and coach Archie Harris), high school and age group meets and was one of the most well-known officials in the state of Illinois swimming society. In addition, Connie was instrumental in getting swimming events included in the local Special Olympics.

In 1973 he attended his first National YMCA Swimming and Diving Championship Meet in Fort Lauderdale, Florida. Connie served in just about every swim official position for the next 8 years—timer, head timer, score keeper, stroke judge, electronic timing operated, etc. He truly was an officials official!

To fully understand Connie’s contribution to society, one must look at the extra activities to which he devoted so much of his free time. A devoted church member serving on almost every board or trustee position, dedicated member of the Optimist Club, coordinated and chaperoned numerous high school functions and attended every athletic contest possible along with nearly every other school activity possible.

In all of these activities, he never sought the “limelight” but was willing and able to do the tasks that were challenging and necessary to hold efficient, well officiated events. These things are so often overlooked and under appreciated by competitors, their families, and spectators. But without them, events could not go forward.

Connie passed away suddenly from a heart attack on August 23, 1980 at the age of 51. He is survived by three children, eight grandchildren and one great grandchild. His oldest grandchild, Matthew Hopkins, has continued the swimming and teaching tradition by becoming a high school math teacher and is coaching boys and girls swimming teams.

# Draft 1982

INTRODUCING THE

1982

Recipient of

THE JOSEPH G. ROGERS AWARD

LOUIS A. COX

Louis A. Cox over the years has given unselfishly of all his time and talent to further the growth and development of all aspects of YMCA Aquatics. His YMCA career, both as a student and teacher, has spanned over fifty-six years.

He grew up in Dayton, Ohio and as a youth was very active in the YMCA. As a young man he decided to make the YMCA a career and enrolled in Springfield College where he earned a M. S. in Physical Education. After serving as Physical Director in Westfield, Massachusetts, he returned to Dayton, Ohio where he stayed until his retirement a few years ago.

He served as a member of the National YMCA Aquatic Committee from 1954 to 1969, being a member of its executive committee from 1963 to 1969.

Among his accomplishments in the field of swimming are:

- Participated as a swimmer in four National Championships.
- Coached three National Championship winners.
- Hosted two National Championships.
- Served as Aquatic Commissioner for the Ohio-West Virginia Area.
- Recipient of the National YMCA Leadership Award.
- Served as Chairman of the National YMCA Sports Records Committee.
- Editor of Aquatic News Section of the Journal of Health and Physical Education and later served as Editor-in-Chief of the Journal.
- Served as a representative to many National YMCA Aquatic Conferences.
- Taught and trained many present-day YMCA aquatic leaders.

In 1959, 1960, and 1961 he literally kept the National Swimming and Diving Championships alive by foresight and encouragement of Association participation in the Dayton Area.

He taught so many children to swim that he carries the reputation both in Westfield and in Dayton of having literally taught the "city" to swim during his tenure at each place.

Lou Cox is now retired and continues to reside in Dayton. He has maintained his interest in aquatics and this interest throughout his career has had a great impact on YMCA Aquatics, especially Competitive Swimming and Diving.

We are indeed proud to honor Louis A. Cox as the 1982 recipient of the Joseph G. Rogers Award.
