

Draft 1983

The 17th Women's and 56th Men's -- 12th Combined National YMCA Swimming and Diving Championship Meet April 20-23, 1983

Sanctioned by -- National YMCA Swimming and Diving Committee
National Council of YMCA's

Hosted by the National YMCA Swimming & Diving Council.

Held at the International Swimming Hall of Fame Complex, Ft. Lauderdale, Florida.

Report of the National YMCA Competitive Swimming and Diving Council:

C. Eugene Keltner, *Chairman*

Volunteers within organizations such as the National YMCA Competitive Swimming and Diving Council are important to ensure the continued success of those organizations. The National YMCA Competitive Swimming and Diving Council is made up of many dedicated volunteers who have ensured the success in the past and for what is to come in the future. Our YMCA staff support is now the Youth Sports Development Office directed by John Ferrell in Colorado Springs, Colorado. We are happy to have him on board and look to him for continued direction. As we move toward the Olympics in 1984 we now find ourselves active members of the U.S. Olympic Swimming and U.S. Diving. We have representatives on both boards of those National Governing Bodies. Our support to both organizations is important to the total swimming and diving program in the United States. The cooperation the YMCA puts into working with them is vital. Your continued support is appreciated.

We are extremely grateful for the support given us by Solon Cousins, Executive Director of the YMCA of the USA. He has helped us tremendously in becoming the top Operation Council of the YMCA.

All of you (swimmers, divers, coaches, parents and volunteers) are to be congratulated for being the key elements in giving the United States this outstanding competitive swimming and diving program. More young men and women in the United States are participating in our programs than in any other organization.

As Chairman of the National YMCA Competitive Swimming and Diving Council, I wish to express my sincere appreciation to all Council members, Officials, Event Sponsors, Advertisers, Financial Supporters, and Volunteers who have helped make our 1983 National Championship a most meaningful event for the young people we serve from across this great nation of ours.

Draft 1983

The Conrad “Connie” Carroll Award:

Conrad “Connie” Carroll Award was established by the National YMCA Swimming and Diving Council in his honor in 1982.

This year the award was bestowed upon William Daisley. Mr. Daisley is the Executive Director of the Glenwood Park YMCA in Erie, Pennsylvania. He has served as Director of Officials for numerous National YMCA Championships, is coordinator of the YMCA Swimming and Diving Officials Certification Program, and has served as a YMCA official at all levels of completion for many years. No task has been too difficult for Bill. His comment has always been “I’ll do it!”

Bill Daisley, without a question, exemplifies the ideas and values, which are inherent in the National YMCA Program.

Women’s Eastern Airlines Outstanding Participant Award:

Emily Picerne of the Walla Walla, Washington YMCA was selected from many nominees as the 1983 Outstanding Female Participant. She is very deserving of this award, which is intended for the athlete that best speaks for the YMCA philosophy in and out of the pool. Emily does that! She has been a member of her YMCA swimming team for 12 years. She first placed in a Y National meet at the age of 13 and ranks regularly in the YMCA Top 25 times. She is not only a quality swimmer but a scholar as well. She ranks 4th in her class with a 3.8 grade point average, belongs to National Honor Society and is president of her class. Most would have difficulty doing more than that, but Emily is special. She is also a member of her high school track, volleyball and soccer teams, is a Candy Striper in her local hospital, a volunteer teacher’s aide, and a member of the church choir. Emily’s coach describes her simply as a young person who goes “above and beyond” in everything. Further, the coach describes her as one who is dedicated and whose maturity is laced with honesty, integrity and sacrifice and whose values place her as a leader among her peers. We are proud Emily Picerne is a part of the YMCA movement.

Men’s Eastern Airlines Outstanding Participant Award:

Michael Pace of the Cortland County, New York YMCA was named the 1983 Male Outstanding Participant. Michael has been swimming competitively since the age of seven and during the 10 years of YMCA swimming, he has exemplified its quality in the water and lived the philosophy out of it. Adults describe Michael as a leader who sets goals and goes after them, honest, fair, and disciplined. They have elected him to the YMCA Board of Directors. His teammates look up to him, emulate his example, and call him “friend”. He is a member of the National Honor Society, president of the Student Council, a representative to Youth and Government, a volunteer in the YMCA Begin to Swim program and a YMCA National Qualifier since the age of 12. Michael ranks 9th in his class of 250 and plans to enter pre-med in college. He is a class distance swimmer and has placed in the top 16 at the Y Nationals since 1980. He holds many Empire State games records. He’s done enough already to make heads swim and we’ll be watching both Michael and Emily in the future.

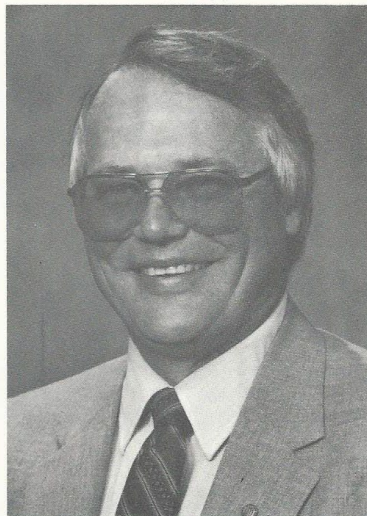

INTRODUCING THE

1983

Recipient of

THE JOSEPH G. ROGERS AWARD

PAUL A. ATKINSON

Following graduation from college and a stint in the Military Service, Paul Atkinson began a career in the YMCA. Swimming has been both a vocation and an avocation. He was introduced to the YMCA and its competitive swimming and diving program in 1952 through the influence of his Physical Director. He participated in two YMCA National Swimming and Diving Championships as a competitor in 1952 and 1956. In 1959 he entered into the YMCA professional ranks as an Assistant Physical Director and has contributed to the competitive swimming and diving programs of the YMCA ever since. He has been in attendance at every YMCA National Championship Meet since 1960, serving as coach, host or official at each one. From coaching to teaching to officiating to administrative functions, Paul has done it all.

Some of his accomplishments are:

- Coordinated and conducted the Ohio-West Virginia Area Swimming and Diving Championships.
- Coordinated and conducted the Great Lakes Regional Swimming and Diving Championships.
- Hosted and conducted two National YMCA Swimming and Diving Championships.
- Served as Aquatic Commissioner for the Ohio-West Virginia Area and the Great Lakes Region.
- Honored in 1971 as "Maverick Man of the Year" (outstanding Physical Director in the Great Lakes Region) for his dedicated leadership in Aquatics and Competitive Swimming and Diving.
- Originated, planned and promoted Great Lakes Regional YMCA Swimming and Diving Clinics.
- Served as Council Member of the National YMCA Competitive Swimming and Diving Council since its inception.
- Presently serves as Vice Chairman of the National YMCA Competitive Swimming and Diving Council.
- Served as YMCA representative to the United States Olympic Diving Committee.

"The measure of success or stature of a person is the effect that person has on other people." Paul Atkinson as a man and as a YMCA Director has had a positive effect on all those who have come in contact with him. His dedication to the YMCA Competitive Aquatic Program has meant a great deal to competitors, parents and associates alike.

The greatest gift one can give to humanity is the gift of a constructive, dedicated and creative life. Many have given these gifts to the YMCA Aquatic and Competitive Programs. Paul is one of those many people. We are indeed proud to honor Paul A. Atkinson as the 1983 recipient of the Joseph G. Rogers Award.
