**Historical Note:** To date, I have been unable to find a complete set of Final Results which includes teams, entrants, and all heat results. There is only a copy of top 5 finishers in each event. In some cases first names are missing and in a number of events there is only a 1<sup>st</sup> place time listed.

**Biographical Note:** **Gerald Holan**, a member of the record setting 300 yard Medley Relay in this meet, continued his swimming career at The Ohio State University. In 1952, Jerry became a member of the 1952 U.S. Olympic Team in Helsinki, Finland. He swam for the gold medal and was part of the winning team in the preliminary heats of the 800 Meter freestyle relay. However, he was not eligible to receive a medal under the 1952 Olympic rules because he did not swim in the finals as a part of the team.

**Robert Sohl**, a record setter for the 100 Yard Breaststroke in this meet, was also a member of the 1948 U.S. Olympic Team. No other information is available at this time.
