## **29<sup>th</sup> International/National YMCA Swimming & Diving Championship**

**April 12-14, 1956**

**Host: Omaha Nebraska YMCA**

**Held at “Father Flanagan’s Boy’s Town Pool”**

This 29th National YMCA Swimming and Diving Championship were originally scheduled to be held in the newly built Richmond, Indiana YMCA facility. However, due to the slowdowns in construction the meet was moved to Nebraska. The Omaha YMCA, under the leadership of Carl E. Sheer, took on the task of hosting the National YMCA Championship Meet. This championship event was held in the excellent facilities of “Father Flanagan’s Boy’s Town”. Eighteen YMCA Associations with 106 entrants representing 10 states and 2 YMCA Associations from Canada that took part in the meet. (**Father Edward J. Flanagan** the founder and visionary for this facility had a dream that every child could be a productive citizen if given love, a home, an education and a trade. Father Flanagan came to the United States in 1904, and following his ordination in 1912, was assigned to the Diocese of Omaha. In 1917, he opened his first Boy’s Home in a run-down Victorian Mansion in downtown Omaha and it was called “Father Flanagan’s Boy’s Town.”)

**Editorial Note:** Having been a participant in this championship meet and a soon to be a college graduate I still have interesting and wonderful memories of that occasion: Traveling over 700 miles in a school bus (four double beds, mattresses in back and seats for 8) from Toledo, Ohio to Omaha, Nebraska, with 15 high school and junior high school students... being a member of the last ever winning 300 yard Medley and being disappointed that we fell short of breaking the National Record... What a Trip!

**Biographical Notes:** Interestingly, two of the participant in this meet Tom Gompf (Diver Dayton, OH) and Chester Jastremski (Swimmer Toledo, OH) went on to have competitive aquatic careers at their respective universities Ohio State and Indiana. They also were both representatives on our U.S. Olympic Teams in 1964. Tom continues to be involved with FINA and the Olympics. I believe he is still a qualified as Diving Judge for the Olympic’s. Chet Jastremski was perhaps the greatest breaststroker’s of all time: the first man to break one minute in the 100 Yard Breaststroke; Breaststroker of the Year 1965, 1966, 1970 and 1971. He has been on four American Record Relay teams—and has held 17 American Records and 9 World Records!
